

2016 FALL/WINTER NEWSLETTER

A BCSC General Membership Meeting will be held on **Monday, December 12, 2016 at 7PM** – please plan to attend and share your ideas with other members of the club – there are always news items concerning the club that will be shared at the meeting, as well as important club decisions that each of you are entitled to be a part of. Come out and be active in your club.

It's that time of year again – **Board of Director Elections !!!!** – and five (5) positions are up for re-election. Please plan to attend the meeting and cast your vote for the candidates of your choice. Interested in serving a term on the BCSC board? We would love to have you!! Contact a current board member or Roger Gilsoul at 920-655-2433

The club is in need of volunteers to help with the following tasks:

- Maintain the grounds for summer 2017 – lawn mowing using the clubs riding mowers and some trimming are the required tasks.
- The club also needs volunteers to bring targets to the trap and skeet houses.

If you have the time, ability to run equipment and would like to assist next summer with any of these tasks, please contact one of the board members.

Would you be interested in seeing a sporting goods or shooting related swap meet at the club? Well now you can look forward to a swap meet of this type scheduled to be held during the January 1st Hangover Shoot at BCSC. Bring your slightly used sporting goods, guns, etc. to sell or swap. Space will be available in the clubhouse for placing and displaying items. While attending, plan to take part in the shoot or enjoy the food and refreshments provided for sale during the event. Happy New Year!!

“Thought You Should Know”: The club house is available for rent for many venues – bachelor parties, company events, small group shooting events, etc. If you have a group of people looking for a place to gather for your special event, contact BCSC and ask for details.

Interested in serving on the Brown County Sportsmen’s Club Board of Directors? A number of Board Member positions are up for election at this year’s December General Meeting. If you wish to know more about what a board member position is all about, leave a message on the club’s website or contact a current board member for more information.

Planning is already underway for shooting events next year. So far, the tentative dates for the Club Shoot will be August 19, a registered “Leather Bag” trap shoot will be held on June 24 prior to the Zone Trap shoot that will be held at BCSC this year. Dates for the Zone Trap Shoot and other events will soon be determined and posted on the events board as it gets updated for 2017. The events board will also list the dates for club clean up events and general members meetings, so make sure you check the board when at the club for the dates of each event.

As the fall trap and skeet leagues wind down in the next several weeks, now is the time to get your team prepared for the winter leagues as they form. Stay tuned for start dates for the winter leagues and make sure you have enough warm shooting clothes!!

As winter arrives, remember that the club is a great place to bring the family. The club property is a great place for a walk around the lake or in the woods to see some wildlife. These are things that can be enjoyed by members when shooting is not actively scheduled. The club grounds can be a great place to bring the kids for an afternoon of fishing and activities other than shooting.

See You There!!
