

03/18/2020

#### **UPDATE: HOURS OF OPERATION**

- The Coronavirus has caused Brown County Sportsmen's Club to take some unprecedented steps to comply with state mandated rules and to consider our members. We feel the following steps accomplish both.
- The Club House is closed until further notice (**please see details below**)
- As previously stated, the fields can be opened for trap and skeet shooting by members who have received permission and access to the keys. This is for daylight hours only. If you wish to attain these privileges, please see one of the board members.
- The fields must be closed, equipment stored and locked when shooting is done. As members, this is your responsibility. Safety rules must be followed at all times.
- We know you need to purchase rounds for your Longrange Card. To accomplish this the following is in place.
- **The Club House will be open 9AM to 11AM on Wednesday mornings and Noon to 2PM on Saturday.**
- During these hours you can only purchase trap and skeet rounds or use the restroom. There can be no sitting, loitering or hanging out in the club house.

**Changes are effective immediately.**

We feel this is the best we can offer at this time. We appreciate your understanding and look forward to a time when things are back to normal.

Until then, shoot straight and keep your chin up!
