

This past weekend Brown County Sportsmen's Club hosted a SCTP (Scholastic Clay Target Program) regional shoot. While the nasty weather certainly held the number of competitors down, we still had 410 shooters participate. This was a huge undertaking, and required a large number of volunteers. 35 of our members came through, and we had a very successful weekend. There were long days of miserable conditions. Some of our volunteers showed up all three days.

This would have been impossible without their help. There were people scoring, keeping the machines full and the trash and recyclables removed, preparing and serving food, tending bar, and any number of other chores.

It is a very rewarding experience to see so many young shooters participating in our sport. We need to encourage them, because they are the future of our sport.

Special shout-out to Mark Stephany for having the clubhouse clean and in tip-top shape for the shoot. He also came in Monday and straightened up so the clubhouse is ready to go for our normal operations.

We have a Paralyzed Veteran shoot coming up May 19, 20, and 21. While this is a much smaller event, we still need help to run it successfully. Please consider coming out, even if it is just for a couple hours.

Here is a list of last weekend's volunteers. Please take the time to thank them, and please consider helping in the future.

Joe Baugnet	Dave Holub	Bob Olsen
Mike Cieslewicz	Jay Hussong	Jeff Pagels
Dave Conway	Ridge Johansen	Jeff Rowsam
Jim Decker	Gary Jonet	Mike Sanders
Jim Dudley	Mark Kellor	Tim Selner
Rick Erickson	John Kokoska	Mark Stephany
Gary Fontaine	Mike Lewis	Terry Thayse
Roger Gerstner	Fred Libert	Pete Thomas
Dan Gulmire	Tom Lytie	Annette Thome
John Hallam	Mark McCole	Bob Trotman
Jerry Haltaufderheid	Dan McGregor	Don Will
Robert Hass		Al Winiecky
