Treasurer's report given by Rich Rawson. The report showed that the ending balance was a gain of \$268.44 from the previous fiscal year. Old Business

None

New Business Items that were discussed and approved:

- Attempted to make a final decision on Championship shoot – 50 vs. 100 bird shoot. After much discussion and show of hands, those in attendance favored the 50 bird format for the coming season without approving it as the final decision for future shoots. At next years' meeting a final decision will be needed to determine how to proceed in the future.
- Ken S. from Wausau suggested a new way to determine tie score winners. He suggested using the long run from the front, on the total score of 50 targets to determine winners. This would replace coin flip, draw cards, name draw. This would be for class winners (except Championship Shoot) and Lewis money winners. After discussion a motion was made and seconded to adopt this new rule for determining tie scores. CWSL Rules # 16 and # 18 will be updated to show this new procedure.

Information Items:

- Continue shell raffle again this year. If a club can continue to support this with donating 2 boxes of shells it is very much appreciated.
- All were reminded to check the BCSC website for scores and other information throughout the season. Jill also asked if everyone received their email notification about the meeting today, and if not, give her an updated or corrected email address to be added to the mass email CWSL group.

Election of Officers:

Nominations from the floor asked for, for president and secretary/treasurer. Jill Weisz for president and Rich Rawson for s/t received nominations. No other nominations received. Show-of-hands vote elected both for this year.
