

BCSC Shooting Club

2026 5-Stand Wednesday League

A League Setup for Seniors to shoot on Wednesday Morning 9:00 to 1:00. This would be all three person teams and we would shoot a round of 25.

We plan to have two 5-Stand Leagues this year:

- Fall – (15 Weeks) Required to submit 10 scores. The Cost is \$ 110 per shooter.
 - **10 league scores will be required over this time. League rounds must be indicated before shooting.**
- The 5-Stand will be changed at least once during each league.
- League Shooters are **not required** to shoot a certain number of rounds on each course. But half must be half S-RP-RP and half S-TP-TP
- Only members of BCSC Shooting Club are eligible to participate.
- **First half will be on West Field and the Second half will be on the East Field.**

Here are the guidelines for each 5-Stand League:

- Fees for each league
 - \$11 per league round for a total of \$110 per league
 - 10 5-Stand rounds will be loaded onto your 5-Stand card
 - Bring your 5-Stand card to BCSC during open hours to get your targets loaded by Ridge
 - \$10 Lewis Class fee for each shooter (100% paid back using Lewis Class system)
 - \$30 Sponsor Fee for each team (100% paid back using Lewis Class system)
 - Must be a club member.
- **Shooters will be responsible for turning in their scores after shooting**
 - **Each score sheet must have the shooter name, team name, Menu and week the score represents (weeks 1-10) clearly marked**
 - **Use the Yellow Highlighter to indicate a League Round by highlighting the shooter name and total score**
 - **Drop league score sheets in the scoring box on the controller cart or at the club house if it is open**
- Teams
 - Teams consist of 3 shooters with an optional 4th shooter
 - The top 3 of 4 scores each week count for the weekly team score
- Team scoring
 - 23.9 is the highest weekly handicap score
 - The top 3 handicap scores for each team member will be used to determine the weekly team score
 - Weekly team handicap scores will be used to determine overall Team standings and Team Lewis Class Payouts
- Handicap system
 - Handicap determined using the running average of each shooter
 - An 80% rule will be used to determine each shooter's handicap
 - Maximum score achieved using handicap will be 23.9
- Individual and Team scoring and awards will be done using a Lewis Class system
 - The number of classes will be determined after we know how many shooters we will have in each league.
 - Individual Lewis Class Payouts will use raw TOTAL score (NOT the handicap score)
 - Team Lewis Class Payouts will use the handicap Team score.
 - Funds will be divided 50/50 between team and individual awards.
 - Payout breakdown will be decided by a Lewis divisions.
- Shooting time.
 - All rounds must be shot on Wednesday morning.
 - Shooter can shoot as a team or team members can submit scores individually.
 - Open Round Shooting is available for practice during the league times.
